

As followers of Christ, we realize that we have been bought with the price of Christ's blood and that everything we are and have belongs to Him. Your gifts to Heritage Christian Church are treated confidentially, and we view each and every one as a sacrificial gift to furthering the ministry of the church, here and around the world. Your regular tithes and offerings are used to support the operating budget of Heritage Christian Church which includes giving to missions.

From time to time, we will inform you of giving opportunities to financially support specific needs.

- Current economic conditions have brought unexpected job loss and financial crisis to many families within our own Heritage community of believers. If you would like to be a blessing to these families, designate your gift as "**Benevolence**" and the Care Ministry will use your gift to bless those in need.
- Heritage Christian Church regularly supports missions; locally, across the nation, and around the world. You may designate your gift towards "**Missions**" to partner with us in this effort.
- If you would like to help in our ongoing effort to pay off our current mortgage on our facility, please designate your gift as "**Debt Reduction.**" Your giving will go directly to paying down outstanding principal.

If you are led to help financially with these initiatives, please clearly mark your gift accordingly.

Please contact Miriam Angerer, Finance Director at ext. 510 if you have any questions regarding giving to Heritage Christian Church or if you would like any additional information.
