

APR 2017 GUIDE

IT ALL BEGINS WITH "ALPHA"

Tuesdays, begins **Apr 18**, 7-8pm

Alpha is an enlightening series exploring the Christian faith. Each week, we'll look at a different question around faith that is designed to create conversation. It's an opportunity to hear from others and contribute your own perspective in an honest, friendly and open environment. There's no obligation to say anything and there's nothing you can't say. Please feel free to bring a friend along with you that may have questions about faith.

During April, we'll complete the *Stories of the Kingdom* mini-series, then dive into Palm Sunday and Easter with glimpses into what was happening in Jerusalem during Holy Week.

After Easter, we will study the Great Commission, our mandate to be on mission personally and collectively. As we move into May, we'll be looking at Acts and intentionally concentrating on the early church and how life should be lived as a community of believers.

Continue to invite others to join us during April as we journey together through the season which gives us renewed purpose and hope.

Apr 1/2 - The Bigger Barn, Luke 12 - *Bob Buchan*

Apr 8/9 - Palm Sunday, Murdering the Messiah - *Pavi Thomas*
