

TRANSFORMATIONAL HEALING MINISTRY

WELCOME

Dear Brother or Sister,

Thank you for your interest in Transformational Healing Groups here at Heritage Christian Church.

We believe that God can heal our wounds and meet our deepest needs. He wants to do a *transforming* work of *healing* in our hearts that impacts our thoughts, feelings, and actions. This is where the Transformational Healing Group (THG) gets its name. In a THG, we open ourselves to the Lord, and bring him our pains and wounds in the presence of a loving and safe small group community of no more than six participants and two trained leaders.

There is a bit of a process to get involved in a THG. I hope you'll see by all these steps that we're serious about helping you along your healing journey.

Here are the steps in the process:

- ❖ Sign the Participant's Rights and Responsibilities form.* Return it with your application.
- ❖ Complete the THG Application* and return it to Heritage Christian Church, Attn.: Debbi Roberts, at the address below, by June 18, 2017. You can turn it in after this date but, since groups fill quickly, we'll give your application first consideration if you turn it in on time.
- ❖ If you're currently seeing a professional mental health care provider (such as a psychologist, psychiatrist, counselor, or therapist), you'll need to have him/her fill out the Mental Health Care Provider Recommendation* and return it to Debbi Roberts at the same address.
- ❖ After we receive your application materials, we will contact you to schedule a personal, thirty-minute meeting to get to know you.
- ❖ After our meeting, the Transformational Healing Ministry Team will prayerfully consider your application and the meeting. A THG Leader will contact you to discuss the next step in your journey, which may be a THG or other healing opportunities offered at Heritage.

Here are some facts about Transformational Healing Groups:

- ❖ Your THG starts with an orientation meeting, followed by 13 weekly sessions. Each session is 3 hours in length. Please plan to attend all sessions, since your faithful attendance is integral to your healing journey and to develop and maintain the community and safety of your small group.
- ❖ Your THG is gender-specific, that is, men lead men's groups and women lead women's groups.
- ❖ Your THG leaders understand this healing journey as each has participated in a THG. They have also completed required training to lead THGs through courses at Ashland Theological Seminary. Many also receive ongoing training by attending various seminars addressing the healing journey.
- ❖ Your THG sessions include spiritual, teaching, and experiential components. There are also weekly reading, journaling, and homework assignments.
- ❖ Your cost to participate in a THG is \$100. This fee covers the cost of all printed materials and two books you'll read during the weeks of your THG. Please bring an initial payment of \$25 to your meeting (checks made payable to Heritage Christian Church). This covers the cost of the two books you will be given at that time. The balance of \$75 is due at your first THG meeting.

If you have any questions or concerns, I'll be happy to hear from you. Please contact me as I've indicated below.

I'm thankful you're considering taking a next step in your healing journey. The Transformational Healing Team and I pray we may partner with you as you seek more of Jesus' healing for your heart, soul, and mind, offered by this ministry at Heritage.

Blessings,

Tina Muench

MENTAL HEALTH CARE PROVIDER RECOMMENDATION

Dear Mental Health Care Provider:

Heritage Christian Church is blessed to offer 13–week Transformational Healing Groups for men and women. These groups are designed to help people address painful wounds of the past and to find healing and wholeness in Christ. Our main resources are provided by Healing Care Ministries International led by Dr. Terry Wardle.

Our group leaders are lay leaders who have been trained through Ashland Theological Seminary. We value the care given by professional mental health providers as yourself. Our goal is never to replace your care, but to partner with you in helping your client/patient to achieve greater spiritual, mental, and emotional health.

Please review the following information and provide your feedback concerning your patient/client, and return this form to me at the address below. If you have questions or concerns, please contact me as indicated below.
