

MAR 18 GUIDE

At Heritage, belonging or becoming a member is simply a decision to be a disciple of Jesus in this community. A few weeks ago, Pavi said that “when you have a gathering of committed folks who are focused on following Jesus with simplicity and passion, then you have a fully alive church.” This is what we understand is our mandate to move towards God in worship, towards each other in community and toward the world on mission. Simply put, everything we do here at Heritage is focused on

With recent events in our community and country, we'd like to remind you that Heritage is equipped with responsible and thoughtful Safety, Security & Medical Response Teams. They are putting time and effort in, behind the scenes, for training and implementation of plans to keep safety at Heritage a priority.
