## A Season of Harvest: For Such a Time as This

Mike Burnard, director of InContext International, will help us look wider than just the persecuted Church to what the Lord is doing in the Middle East and how the Church is responding to current opportunities. We'll look at Syria, Egypt, Lebanon and a number of other areas where news seems to be "bad" but actually reflects a sovereign God at work. In addition to speaking the weekend of April 14 & 15, join us for a kingdom perspective on global events on **Sunday, April 15 at 2pm.**
