MENTAL HEALTH CARE PROVIDER RECOMMENDATION

Dear Mental Health Care Provider:

Heritage Christian Church is blessed to offer 12-week Healing Care Groups for men and women. These groups are designed to help people address painful wounds of the past and to find healing and wholeness in Christ. Our main resources are provided by Healing Care Ministries led by Dr. Terry Wardle.

Our group leaders are lay leaders who have been trained through Healing Care Ministries. We value the care given by professional mental health providers as yourself. Our goal is never to replace your care, but to

partner with you in helping your client/patient to achieve greater spiritual, mental, and emotional health.

Please review the following information and provide your feedback concerning your patient/client and return this form to me at the address below. If you have questions or concerns, please contact me as indicated below.

Sincerely,

Sally
